Freeware End User License Agreement («EULA»)

This End User License Agreement (« EULA », « License », « Contract ») is a legal agreement between you (« Licensee »), legal entity or natural person, and Tek'it Audio (« Tek'it Audio », « The Rights Holder »), about the software following this EULA (« Software »).

Tek'it Audio is a legal entity subject to French law, carried by MICHAEL DUBOIS SZYMANSKI (SIRET n°52518277000012), headquartered at « 8 Rue de Tivoli, 07300, Tournon-sur-Rhône, France ».

Installing, copying, or using the Software is considered as your consent to the terms and conditions of this EULA, and where appropriate, its Annexes. The refusal of this terms and conditions impose you to uninstall and delete the Software from all storage devices and to stop using this Software.

1. Definitions

For the purposes of this License Agreement, the following definitions are given and binding upon the Parties.

« Devices »: All electronic devices such as, but not limited to, laptop, desktop computer or terminal, that allow installing, using or storing the Software.« Presets »: Data file, containing a set of predefined parameters of the Software.

2. Generalities

Under Article 10.1 of WTO Agreement on TRIPS, Article 4 of WIPO Copyright Treaty, Article 1.1 of the Directive 91/250/CEE (European Union) and Article L112-2 of French Intellectual Property Code, the software is a copyrighted work in the definition of the Berne Copyright Convention (09/28/1979).

This EULA is not a sell contract but a contract that give Licensee some specials rights to use the Software labeled « Freeware » or provided to him as such by Tek'it Audio. The rights holder has and keep all rights to the Software.

Any use or exploitation not explicitly granted to Licensee in this EULA shall not be allowed without written consent from Tek'it Audio. Specifically, Licensee is not authorized to use, copy, emulate, clone, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer or transfer the licensed Software, or any subset of the licensed Software, except as provided for in this License Agreement.

Any such unauthorized use shall result in immediate and automatic termination of this License and may result in criminal and/or civil prosecution.

This EULA includes the software, all medias, graphic elements and files associated with and its documentation. This EULA also includes upgrades and additional contents provided by Tek'it Audio unless they are subject to special terms and conditions.

3. Licensee rights

3-a. Generalities. Licensee is granted a non-exclusive license to use the Software on one computer at a time, for any legal purposes, for both commercial and non-commercial music and audio production.

If Licensee gives or sells the device on which he makes use of the Software, he must uninstall and delete it from this device before the operation.

Out of rights explicitly granted above, the Software cannot be distributed, shared or duplicated without written consent of Tek'it Audio.

3-b. Presets libraries

3-b-i. Presets provided by Tek'it Audio. Presets provided with the Software by Tek'it Audio can be used under terms and conditions of this License for both commercial and non-commercial music and audio production.

However, these presets cannot be distributed individually or in presets libraries for commercial or non-commercial purposes, in the form of audio samples, data files or all other forms.

3-b-ii. Licensee presets. Licensee has the right to use this Software to create presets and presets libraries for non-commercial purposes.

Licensee can distribute them individually or in presets libraries only for non-commercial purposes.

However, the distribution of presets or presets libraries for commercial purposes is

subject to a prior written consent from Tek'it Audio.

3-c. Backup copy. Licensee can make a single copy on his own storage devices such as hard disk or optical medias, for backup purpose and solely to replace the original copy if it is damaged or destroyed.

This backup copy is exclusively reserved for Licensee private use and cannot be subject to sell, other copies or any other operations without a written consent of Tek'it Audio, even if the original copy is damaged or destroyed.

4. Distribution

No natural person or legal entity may charge fees or receive a remuneration for the distribution of the Software labeled « Freeware » or provided as such by Tek'it Audio without a prior written consent from the rights holder.

The Software may not be bundled or distributed with any other products of all sorts without a prior written consent of the copyright holder.

5. License transfer to a third person

License or software labeled « Freeware » or provided to Licensee as such by Tek'it Audio can't be transferred to a third person, freely or costly, without a prior written consent from Tek'it Audio.

6. Governing law, territorial competence, and litigation

This contract is governed by the French laws and all litigation's concerning its interpretation or execution are subject to the jurisdiction of French courts from Paris, without prejudice to existing rights from imperative legal provisions which may benefit to Licensee, notably about consumer right and copyright.

Tek'it Audio keeps the right to sue Licensee, a natural person or legal entity, before the court having jurisdiction over his place of residence or place of business.

In any case, contracting parties attempt to resolve amicably all litigation that may arise concerning interpretation or performance of this contract.

7. License partial invalidity

If any stipulation of this license should be or become invalid, either completely or in part, this shall not affect the validity of the remaining stipulations. The parties

undertake instead to replace the invalid stipulation with a valid regulation which comes as close as possible to the purpose originally intended.

8. Warranty and responsibility

Tek'it Audio certifies the Software will be compliant to specifications described in the accompanying documentation.

However, this limited warranty excludes issues caused by Licensee's failure to comply with the instructions, abnormal use of the Software, or any other circumstance beyond the control of Tek'it Audio. It, therefore, follows that,

THIS SOFTWARE IS PROVIDED « AS IS » WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, WITHOUT PREJUDICE TO EXISTING RIGHTS FROM IMPERATIVES LEGAL PROVISIONS THAT MAY BENEFIT TO LICENSEE, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OR ARISING FROM A COURSE OF DEALING, USAGE, TRADE OR PRACTICE.

IN ANY CASE, TEK'IT AUDIO CANNOT BE HELD LIABLE FOR DIRECT AND INDIRECT DAMAGES OR INJURIES, RESULTING FROM EXPLOITATION OR PERFORMANCE OF THE SOFTWARE, EVEN IF WAS ADVISED ABOUT THESE DAMAGES.

IT THEREFORE FOLLOWS THAT LICENSEE TAKE ALL RESPONSIBILITY OTHER THAN THAT OF THE SOFTWARE'S COMPLIANCE WITH THE SPECIFICATIONS, INCLUDING THOSE RELATED TO, LOSS OF DATA, FITNESS FOR A PARTICULAR PURPOSE, EXPLOITATION OF THE SOFTWARE AND ABILITY TO USE IT.

LICENSEE EXPRESSLY ACKNOWLEDGE HE HAS RECEIVED FROM TEK'IT AUDIO OR THE AUTHORIZED RESELLER ALL THE INFORMATION REQUIRED TO ENSURE THAT THE SOFTWARE IS FITTED TO ITS NEEDS AND TO TAKE THE NECESSARY PRECAUTIONS FOR ITS USE.

All questions concerning this License Agreement shall be directed to:

Overview

Thank you for choosing RECsoprano, Tek'it Audio free soprano recorder plug-in instrument.

We hope you enjoy this software, and love creating music with it. Please, take the time to read this manual and learn how to exploit all the feature of your new plug-in.

The Tek'it Audio Team

About this Manual

In this Manual, installation procedures, features and operations are described. This PDF documents is installed with the program, you find it in the Tek'it Audio folder inside your user Documents folder and you can open it directly from the plug-in interface. This manual can also be downloaded from our website on the product page.

Feature highlights

- Samples played and recorded by Mihai Sorohan.
- Recorded at 32 bit, 44.1KHz sample-rate.
- Real-time fingerings visualization.
- 3 tuning: Modern, Renaissance and Baroque.
- Attack and Release envelope controls.
- Amplitude controls.
- Reverb and tuning effects.
- Panoramic and Gain controls.
- 8 voices polyphony.
- 32 bit precision sampler engine.

Requirements

Below you will find the minimum requirements for running the plug-in.

Windows

- 2 GHz CPU or higher with SSE2.
- 4GB RAM or higher.
- Microsoft® Windows® 10 or 8.
- 1280x800 screen resolution or higher with 32 bit color.
- VST™ 2 or VST™ 3 compatible host.
- Audio interface with ASIO driver support recommended and minimum 44kHz samples rates.
- To use the automation a Host with automation features.

macOS

- Intel CPU.
- 4GB RAM or higher.
- macOS 10.8 and latter.
- 1280x800 screen resolution or higher with 32 bit color.
- VST™ 2, VST™ 3 or Audio Unit compatible host.
- CoreAudio compliant audio interface or built-in audio hardware.
- To use the automation a Host with automation.

Upgrading From an Earlier Version

If you are upgrading from an earlier version there are some important things to remember before installing the upgrade:

From version 1.x

- You can keep version 1.x installed alongside the newer version if you need for your old projects. Otherwise uninstall the previous version before installing the upgrade.

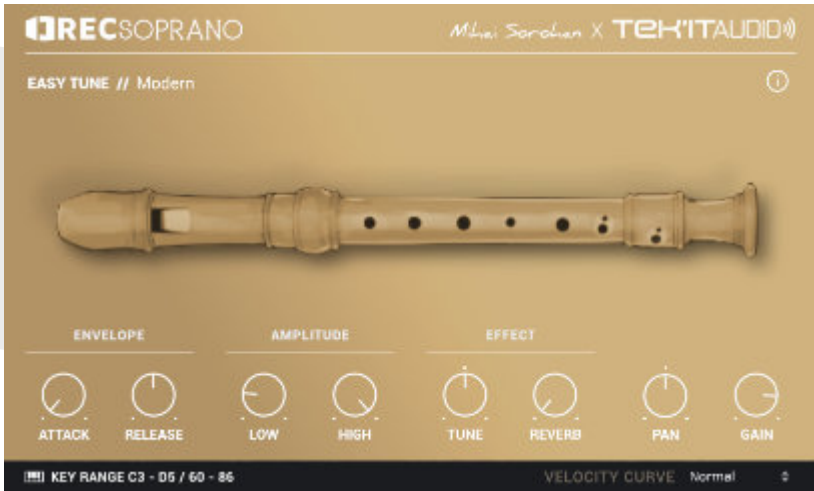

Running the Installer

1. Locate the file called "RECSoprano Installer.exe" on Windows, "RECSoprano Installer.pkg" on macOS and double-click it.
2. Follow the on-screen instructions. You will be asked to choose the desired plug-in formats and an install location.
3. Run your host software and load RECSoprano. Consult your host documentation for information on how to do this.

Windows: Our uninstaller keep your system clean, all the files are deleted and there are no entry left in your Windows registry.

Usage

Control Types

While using RECSoprano, you will find that many parameters have similar controls.

Knob

To Turn a knob, click it and when drag upwards to move the knob to the right, drag downwards to move the knob to the left.

Off
Low
High
Last

Popup Menu

Appears on a left click or right click on a text or an icon to select a value.

Parameters

EASY TUNE

Select one of the 3 tuning: Modern (A440), Renaissance (A470) or Baroque (A415).
